## Course Description

This course will familiarize you with the rudiments of Latin, enabling you to read a wide variety of Latin sources, as well as to write in basic Latin yourself. The course is built on the method of *extensive sight reading*.

This course features two 1-hour interactive sessions per week. In addition to the interactive sessions, each week has a homework assignment which must be completed on the student's own time and turned in by e-mail to the instructor no later than Friday of the week.
